Biodata, Curriculum Vitae, and Resume

**What is the difference between biodata, a curriculum vitae, and a resume?**

Biodata is useful for matrimony and state government jobs.  
Biodata contains a profile with one's name, address, education, and professional experience.  
Curriculum Vitae a detailed document more than 1 page.  
Resume a one-page document.

About Me

**What is my name?**

Dr. Asif Qureshi.

**What is my date of birth?**

March 30, 1967.

**What was my date of entry into the service?**

April 14, 1991  
My first job was as a physician.

**What is my mailing address?**

Dr. Asif Qureshi  
5042 N. Winthrop Ave. #237  
Chicago, Illinois 60640.  
This was my mailing address from August 10, 1999, to May 7, 2018.  
This has remained my home office.

**Where should you forward remuneration?**

To the above-mentioned address.

## What is my Email?

admin@qureshiuniversity.org

## What are further details?

Eye color: brown  
Favorite colors: white, green, yellow  
Favorite foods: plain rice, Kashmiri wazwan  
Fax: (773) 337-9107  
Gender: male  
Hair color: brown to black  
Height: 5 feet 10 inches.  
Hobbies: body building  
Home address: Asif Qureshi, 5042 N. Winthrop Ave. #237, Chicago, Illinois 60640 (1999-2018)  
Home phone: (773) 561-6102  
Identification number: (various regions have social security, ID number)  
Internet Address: [www.qureshiuniversity.org](http://www.qureshiuniversity.org)  
Languages spoken: English  
Further facts are available at <http://www.qureshiuniversity.org/biodata.html>

## What about my educational qualifications?

Doctorate-level experience.  
1986-1991: medical college physician training  
1971-1986: high school

## What best describes me?

My name is Asif Qureshi.  
I am the founder of Qureshi University.  
I am a qualified medical doctor.  
I am also a forensic psychiatrist.  
My biodata/profile is available at <http://www.qureshiuniversity.com/biodata.html>

I work with all age groups.

Children should approach me with their parents or guardians.

## What is my education and experience?

I have 12 years of high school education.

I have 5 years of medical college education.

I have 7 years of in-hospital experience as a doctor.

It has taken me 14 years to create [www.queshiuniversity.org](http://www.queshiuniversity.org) with existing resources and format.

## How long do I plan to live?

90 years.

## What should happen to [www.queshiuniversity.org](http://www.queshiuniversity.org) in case of premature death of founder Asif Qureshi due to any sabotage?

[www.queshiuniversity.org](http://www.queshiuniversity.org) will become a world public university free for all.

All states must nominate representatives to receive guidelines/instructions/authorized data from this university.

## What language do I prefer to speak?

The English language.

## What language should you speak?

The English language.

## How have educational programs been organized?

### Professions

Take a look at this.

<http://www.queshiuniversity.com/professionsworld.html>

This resource has guidelines for more than 611 professions required in essential ingredients of the economy of every state.

### Products

Take a look at this.

<http://www.queshiuniversity.com/productsworld.html>

This resource has guidelines for manufacturing of more than 1,222 essential products.

### Subjects

Take a look at this.

<http://www.queshiuniversity.com/subjects.html>

This resource has guidelines for instruction of more than 158 subjects that are available, ranging from English language, math, science, and social studies to public health, law, engineering, and education.

### Skills

Take a look at this.

<http://www.queshiuniversity.com/skillsworld.html>

This resource has guidelines for thousands of skills ranging from general purpose skills to work-specific skills.

### Services

Take a look at this.

<http://www.queshiuniversity.com/services.html>

This resource has guidelines for more than 22 essential services.

What should others know about me?

I can guide 45 essential departments in the state and outside the state.

I can guide 611 professions in the state and outside the state. This includes teachers, lawyers, engineers, physicians.

### Where are my photographs?

Previous and recent photographs are attached.

<http://www.queshiuniversity.org/biodata.html>

I prefer clothes like this.

<http://www.queshiuniversity.org/stateidentificationcard.html>

### What should you know about my behavior?

I am always well behaved.

### What are my achievements?

Take a look at this.

<http://www.queshiuniversity.org/departments.html>

Guidelines for 111 executives of government departments established by Doctor Asif Qureshi.

### Who has received these facts to date?

At least 30 executive locations received these facts from me between January 1, 2018, and May 6, 2018.

### What should others know about my competence?

I am able to guide 921 professions.

These include teachers, lawyers, engineers, and specific physicians.

### What about my background check?

I have not been involved in any offenses as of May 8, 2018.

### What is my relationship status?

Take a look at this.

<http://www.nazianazirqazi.org/>

Nikkah August 30, 1995.

I was in Medinah, and she was in Srinagar Kashmir at that point.

Any girl or woman who makes further investigations gets my affection.

### How many days did we go around?

A total of 40 days.

### Did I do any of these with her: slap, box, kick, or throw any objects at her?

No. There was no cruelty, no torture, and no domestic violence. This is true up to at least May 9, 2018. The pointed facts have been written. The relationship became a victim of repeated criminal conspiracies. Those involved in the harms have been listed for further punishments.

Question you need to answer.

### On May 8, 2018, at 3 PM, was she dead or alive?

What are the sources of verification of these facts?

Why could other Kashmiris in Kashmir not verify the answers to these questions before 3 PM on May 8, 2018?

Professional experience.

### What describes my professional experience?

I have 19 years of research experience in Chicago, Illinois.

My research is available at [www.queshiuniversity.org](http://www.queshiuniversity.org).

Doctor Asif Qureshi can guide at least 921 professions, including teachers, lawyers, engineers, and specific physicians.

### Who must receive these facts?

Los Angeles World Airports

Human Resources Division

7301 World Way West, 5th Floor

Los Angeles, CA 90045

<https://www.lawa.org/en/lawa-employment/lawa-employment>

### What jobs am I eligible and qualified for as of May 6, 2018?

Airport executive management (for example, at LAX in Los Angeles, California)

English language professor

Vice chancellor of a public university

Chancellor of a public university

Guide for the 921 mentioned professions

Governor of California Doctor Asif Qureshi

President of the University of California Doctor Asif Qureshi

Guide for governors of 330 states worldwide Doctor Asif Qureshi

Specialist of disabilities Doctor Asif Qureshi

University of Illinois at Chicago chancellor

University of Illinois at Chicago president

Universities like the University of Illinois at Chicago provide a guide to chancellors

Doctor Asif Qureshi is founder of the United Continents of World, United States of World, with 331 member states.

### Where are guidelines for at least 921 professions from Doctor Asif Qureshi?

<http://www.queshiuniversity.org/professionsworld.html>

What resources do I deserve?

What compensation do I deserve?

### Why is there a need to provide website links or references to others?

So that others can get educated relevant to specific professions.

So that others know about the research Dr. Asif Qureshi conducted from 1999 to 2021 in Chicago, Illinois, United States.

### What are the various findings?

On or before October 22, 2021, there were at least 5000 hospitals in the United States. Not a single specific physician or healthcare executive, nor members of the Senate Health, Education, Labor, and Pensions Committee, had done this type of research and displayed the results through the internet in the way Dr. Asif Qureshi has.

It has taken Dr. Asif Qureshi 23 years of research, from 1999 to 2023, in Chicago, Illinois, United States, to compile these resources.

It has taken Dr. Asif Qureshi 21 years of research, from 1999 to 2021, in Chicago, Illinois, United States, to compile these resources.

Questions and answers required for research have taken me 21 years to complete in Chicago, Illinois, the United States, from 1999 to 2021.

On or before October 22, 2021, there were at least 5000 hospitals in the United States.
